

South Island - Sunshine Coast Region Environmental Team Lead with our Integrated Environmental Management Team

Our Story

Strategic Natural Resource Consultants is one of the most highly regarded natural resource consulting firms on the West Coast. Strategic adopts an innovative and resourceful model of problem solving that can be seen in our technical expertise, project management and planning. This belief in resourceful thinking carries into our implementation as well. We employ dynamic on-the-ground professionals across BC. Our personnel are industry leaders in resource and land management, professional forestry, construction support services, environmental science, geomatics, and remote site project development.

We are seeking a candidate to fill the role of Environmental Team Lead with our Integrated Environmental Management (IEM) team. They will report to the IEM Manager and will play a key leadership role within our existing team of professionals. The successful applicant is a hard working individual with a passion for working outdoors. They will need to be an effective manager, mentor, and be interested in tackling challenging projects, including business development.

Qualifications:

- » Registered or eligible to become a registered member of the CAB as an RBtech or RPBio
- » Experience managing and supporting a diverse team (minimum 2 years)
- » A proven leader with the ability to inspire a team environment, foster an open communication culture, collaborate, and problem-solve
- » Effectively able to manage projects and multiple priorities, including timelines, budgets, and deliverables
- » Comfortable liaising with clients and being involved in business development
- » Values innovation, inclusivity, creativity, and relationship building
- » Inspired by the evolving profession of Biology
- » A keen interest in leading, motivating, and growing a team of professionals
- » Experience in stream classification and Environmental Impact Assessments would be considered an asset

We pride ourselves on maintaining a **safe, respectful and fun** work environment that promotes values such as teamwork, partnerships, professional accountability, adaptation and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Your dedication to workplace health & safety and possessing a positive attitude are critical to your role with our team.

We offer competitive compensation, including a comprehensive benefits package for full-time employees, career and personal development opportunities, and an employee mentoring program.

Applications will be accepted until Friday April 2nd, 2021

Please apply with your resume and cover letter by email to employment@snrc.ca with "Env Team Lead Application" in the subject line. We would like to thank all applicants for their interest; however, only those considered for an interview will be contacted. For more information regarding this opportunity, please e-mail above address.
