

Nawiinginkiima Forest Management Corporation

(Marathon, ON)

SILVICULTURE SUPERVISOR

The Nawiinginkiima Forest Management Corporation (NFMC) is a Crown Corporation established in 2012 by the Ontario Ministry of Natural Resources and Forestry under the Tenure Modernization Act, 2011.

If you are a Silviculture Forester with greater than five years experience, then you may be interested in this exciting permanent position.

The NFMC is looking for a dynamic, hardworking team player who has the attitude and experience to manage the NFMC's silvicultural renewal program, enforce health and safety and environmental management systems. The NFMC is able to offer a strong benefits package with competitive compensation. At the NFMC, our structure and culture provide opportunities for growth and innovative thinking. The successful applicant will supervise and work within in a team environment, leading initiatives to solve operational silviculture challenges.

As the Silviculture Supervisor you will plan, implement, and monitor all silvicultural programs and budgets on the Pic and White River Forests. You will also be required to provide a support role in the development and completion of forest management plans, reports, and GIS data management.

Requirements:

- Bachelor of Science in Forestry Degree from an accredited Canadian university; and a demonstrated experience in silviculture;
- General awareness of Ontario government forestry legislation, policies, guidelines and regulations;
- Broad understanding of operational forestry practices and forest management planning;
- Proficient in Microsoft Office and Excel;
- Supervising staff;
- Strong organizational and analytic skills;
- Ability to work under pressure and within deadlines;
- Good working knowledge of GIS technology;
- Valid driver's license with a clean record.

Assets:

- Registered Professional Forester in good standing with the Ontario Professional Foresters Association or ability to become registered;
- Ability to work long hours, and be outdoors for extended periods;
- Enthusiasm and a passion for forestry;
- Ability to work independently with limited supervision;
- Ability to liaise and negotiate with silviculture contractors;
- Ability to live and work in remote location.

Salary and benefits will be commensurate based on experience and education.

Interested applicants should submit a cover letter and resume to:

Neil McDonald
Operations Manager
Nawiinginkiima Forest Management Corporation
P.O. Box 1479, Marathon, ON POT 2E0
neil.mcdonald@nfmcforestry.ca

Applications will be accepted until June 16th, 2019.

We thank all applicants for their interest; however only applicants selected for interview will be contacted. If requested, accommodation(s) will be made for those with disabilities.
