

Intermediate & Senior Field Engineer

VARIOUS LOCATIONS

Campbell River - Port McNeill - Prince George - Fort St. John

The Opportunity:

Our Field Engineers play an important field-specific role within our existing team of professionals in our Timber Development and Engineering Operation. The successful applicants are enthusiastic, hard-working individuals with a passion for working outdoors while supporting our teams on project and client deliverables. Effective communication and a strong work ethic are instrumental to this role.

Qualifications:

- Knowledge & understanding of LiDAR and its field and office application is a must
- Registered with the Association of BC Forest Professionals as an RPF or RFT, or eligible
- Knowledge of forest engineering and timber development, including harvest planning, road layout & design, and deflection line analysis. Able to gather and write SP's would be an asset.
- Knowledge of coastal harvet & silvicultural systems
- Physically fit and interested in working in outdoor climates year round
- Knowledge and understanding of navigational tools, maps, GPS surveys and applications, and general computer skills (MS Office, RoadEng, and ArcGIS)
- Experience working around trucks, ATV's, boats, float planes, & helicopters.
- Physical ability and familiarity with traveling via logging or resource roads in inclement weather and across backcountry/forest landscapes safely.
- Must be able to work camp shifts.

The Location:

Strategic is one of British Columbia's largest natural resource consultants. We are a First Nations majority owned company through the Ehattesaht Chinehkint Nation, whose stewardship of the land leads us forward. What started as a small team of Timber Development Engineers, has grown over the last 20 years into an industry renowned west coast consultancy employing 130+ people in multiple communities. Our mission is to deliver technical expertise to our valued clients, to provide a safe and positive work environment, and to lead by fostering prosperity in our communities.

We pride ourselves on maintaining a safe, respectful and fun work environment that promotes values such as teamwork, professional accountability, and work/life balance.

All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Positive attitude and dedication to workplace safety are critical to your role with our team.

We offer a competitive total compensation package with comprehensive benefits, matching RRSP contributions, profit share, professional development, company cell phone & plan plus other great perks!
