- Senior Field Engineers

Strategic Natural Resource Consultants is one of the most highly regarded natural resource consulting firms in BC. Strategic adopts an innovative and resourceful model of problem solving that can be seen in our technical expertise, project management and planning.

This belief in resourceful thinking carries into our implementation as well. We employ dynamic on-the-ground professionals across BC. Our personnel are industry leaders in resource and land management, professional forestry, construction support services, environmental science, geomatics, and remote site project development.

A \$1,200 signing bonus for a 5+ year professional with designation (RFT, RPF, ATC, ATE), upon completion of our 90 day probationary period. We will also waive our 90 day probationary period for benefits enrollment & coverage of professional dues.

We pride ourselves on maintaining a safe, respectful and fun work environment that promotes values such as teamwork, partnerships, professional accountability, adaptation, and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Your dedication to workplace health & safety and possessing a positive attitude are critical to your role with our team. We offer a competitive compensation package that includes an additive for professional designations.
