

Haliburton Forest

& WILD LIFE RESERVE LTD

– CAREER OPPORTUNITY –

Sawmill Manager Haliburton Sawmill

We are seeking a remarkable individual to join our team as the Sawmill Manager within our Forest Products division. We operate a hardwood sawmill producing 4.5 MMfbm annually, which is located within the 100,000 acres of private hardwood timberland that we own and manage.

As a fast-growing company, we are expanding our leadership capacity by creating this position. The Sawmill Manager will report to the General Manager and work closely with the facility's Supervisor and Business Manager.

Responsibilities

- Achieve high levels of safety, tidiness, and efficiency in sawmill operations
- Manage, coach, support, and schedule a diverse crew with a wide range of tasks
- Oversee sawmill operations; support operations in the log yard and value-added facilities
- Facilitate operations analysis in order to achieve continuous improvement
- Earn maximum value for products through smart processing and sales
- Reports to the General Manager of the Forest Products division

Personal Traits

- Positive, constructive attitude at all times, especially when the going gets tough
- Hands-on approach to management, with strong administrative skills
- Independent and entrepreneurial; committed to long-term success
- Analytical approach to wood processing and related workplace functions
- Works as a partner, not as an employee, in efforts to improve the company

Qualifications

- Degree or diploma in lumber grading, sawmilling, forestry, wood processing, engineering, or extensive work experience in one of these fields
- Management experience in hardwood lumber manufacturing operations
- Strong project management skills and ability to balance competing priorities
- Working understanding of financial statements and related tools

Compensation will be competitive and there will be opportunities to benefit from the success of the company. The timeline for starting in this position is flexible, but we intend to see a remarkable individual serving in this role by 01 June 2020. Interested candidates should submit a resume and cover letter to info@haliburtonforest.com by 01 April 2020.
