

AMERICAN FOREST
MANAGEMENT

Position Announcement

Position: Forest Technician
Location: Kalispell or Libby, Montana
Reports to: District Manager

American Forest Management, Inc. (AFM) seeks a forestry technician to join our forest management team in western Montana. This position will report to the Kalispell District Manager and be responsible for various aspects of forest management on multiple properties under management, as well as other tasks assigned by the District and Region Managers.

Job Functions and Responsibilities:

- Harvest unit boundary marking
- Property line location and marking
- Streamside Management Zone (SMZ) delineation
- Regeneration and planting survival surveys
- Road and tract inspections
- Other tasks as assigned by District and Region Managers

Qualifications:

- AA or BS Degree in forestry or closely related field
- Ability to easily identify tree species in the inland northwest
- Ability to read maps and navigate in the woods
- Proficiency in basic computer programs such as MS Word and Excel
- Ability to work within a team environment
- Ability to work in difficult field conditions, such as walking in steep terrain, over vegetation, and on rocks, during inclement weather (snow, rain, heat)
- Ability to safely operate vehicles on steep and narrow mountain roads.

Salary and Benefits:

- Salary commensurate with qualifications and experience, paid semi-monthly
- 9 paid holidays
- Paid vacation schedule
- Healthcare and disability plan
- 401 (K) retirement plan
- Tuition Reimbursement Program
- Ongoing professional development training
- Eligible for annual and new business bonus plans
