## Harvesting Managers UK

Euroforest Ltd UK are looking for experienced Harvesting Managers to join our teams in the Scottish Highlands and in Devon in the South West of England. Immediate start available.

You will need to be eligible to work in the UK.

The Harvesting Manager role requires a self-motivated, professional individual who has an ability to build relationships at all levels to manage harvesting sites in an operational area. A commercial outlook and an ability to work as part of a team is required, together with experience in timber harvesting. Excellent organisational, communication and IT skills are desirable, but above all we are seeking applicants with enthusiasm and the drive to succeed.

Our employees are dedicated forestry enthusiasts using state of the art technology and latest industry thinking which have helped make Euroforest the UK's largest independent timber harvesting and marketing company.

In partnership with Euroforest group companies we work with landowners to manage, harvest and replant their forests. Timber is the most sustainable building product we have, so sustainability is at the heart of what we do. In short, we look after the complete cycle of forestry – even our lorries are equipped with special tyres to protect fragile roads.

### **Duties:**

- Organise the harvesting, marketing and sale of timber
- Liaise with colleagues, clients and landowners
- Plan and implement programmes of work
- Prepare costs and financial forecasts
- Ensure the effective use of resources
- Supervise other forest workers
- Be mindful of, and adhere to, Health, Safety & Environmental standards

### **Desirable Skills:**

- Degree, HND or equivalent land-based qualification
- Professional membership of The Institute of Chartered Foresters or other relevant body
- A demonstrable interest in forestry and the harvesting sector

### **We offer:**

- Competitive Salary
- Company Vehicle
- Laptop & Mobile Phone
- Pension
- Life Assurance
- 20 Days Holiday
