Timber Development & Engineering Team Lead

Our Story

Strategic Natural Resource Consultants is one of the most highly regarded natural resource consulting firms on the West Coast. Strategic adopts an innovative and resourceful model of problem solving that can be seen in our technical expertise, project management and planning. This belief in resourceful thinking carries into our implementation as well. We employ dynamic on-the-ground professionals across BC. Our personnel are industry leaders in resource and land management, professional forestry, construction support services, environmental science, geomatics, and remote site project development.

We are seeking a Timber Development & Engineering Team Lead for our PGCI Region. They will play a key leadership role within our existing team of professionals. The successful applicant is a hard working person with a passion for working outdoors with a team. They need to be an effective manager, mentor and be interested in tackling challenging projects, including developing young professionals.

Qualifications:

- » Registered or eligible for registration with the Association of BC Forest Professionals as an RPF or RFT
- » Experience working in BC's Forestry industry for at least three years
- » Passionate about physical work in adverse conditions and is flexible towards camp shifts
- » Solid experience with cut block & road location reconnaissance, layout & survey
- » Extensive knowledge of harvest & silviculture systems
- » A great written and verbal communicator, who is adaptable and positive towards learning new technologies and processes
- » Proven self-motivator that is well organized and possesses leadership qualities
- » Applicant must reside or be willing to relocate to PGCI Region

As a successful applicant, you will lead and develop our junior staff in 5 key areas;

- » Planning, scheduling and organizing
- » Leadership, supervision and mentorship of subordinates
- » Ensuring team member engagement, training, development and career growth
- » Business efficiency and utilization of resources
- » Client interactions and customer service

We pride ourselves on maintaining a **safe, respectful** and **fun** work environment that promotes values such as teamwork, professional accountability, and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Positive attitude and dedication to workplace safety are critical to your role with our team.

We offer a competitive total compensation package with comprehensive benefits, matching RRSP contributions, profit share, professional development, company cell phone & plan plus other great perks!

Applications will be accepted until May 14th, 2021.

Please apply with confidence by sending us an email with your resume and cover letter with "PG Timber Development & Engineering Team Lead Application" in the e-mail subject line) to employment@snrc.ca. We would like to thank all applicants for their interest; however, only those considered will be contacted for an interview. For more information regarding this opportunity, please e-mail above address.
